AUDITORIUM

PROGRESS

OUR SUPERINTENDENT

Anyone coming into Harris-Elmore School during the past year to see the superintendent, Mr. Lamar Hetrick, would, of course, go to the office. If he were lucky, he found Mr. Hetrick there. But he was just as likely to start a search which might end in one of Mr. Hetrick's industrial arts classes, on the roof, in the basement, on some high scaffolding in the new auditorium, or in the elementary grades where he might be checking on a nose that got in the way of a baseball bat. Many times his supervising duties included more than the field of education.

His eighth year as the local superintendent was certainly a full one, with the long drawn-out improvements in the building going on all year. The program which the Board of Education had set in motion several years ago drew to a close. Signs of its success were visible all over the grounds--a stadium-bus garage put into use in the fall of 1949; newly remodeled homes for the vocational departments--agriculture in the old bus garage and home ec in the old cafeteria kitchen and storage rooms; a completely new heating and ventilating system; fluorescent lights all over the school building; and the beautiful new auditorium-gymnasium.

Mr. Hetrick could often be found climbing around in his shirt sleeves inspecting the work. In addition, he taught three classes, was a senior class and Student Council advisor, faculty manager of athletics, scoutmaster, and president of the Sandusky Bay Conference.

Although his job kept him working day and night, he also maintained outside interests. He was chairman of the local unit of the Salvation Army, trustee of his church, member of Kiwanis, a Mason, and member of a bowling team. During the Christmas recess he attended the Ohio Education Association meetings in Columbus, as the delegate of the Ottawa County Education Association.

Of course, any spare time which he could find or make in his busy schedule was devoted to his family.

A man who always puts the welfare and future of his students first, Mr. Hetrick is becoming a well-known and much respected educator in this part of the state.

CLASS HISTORY

We, the Class of 1951, entered these portals of learning with a membership of 30. Our first six years were spent in learning the fundamentals and finding ourselves. During these years we were very proud of our classmates who appeared in three operettas and who found a medium of expression through poetry

Our junior high years passed rapidly and soon we were graduating from the eighth grade. Commencement exercises were held at Oak Harbor High School

Our freshman year wasn't all it was cracked up to be, but we managed to get by. The sophomore year passed, and then we were juniors.

The junior year was one of work. We put on the play MAKE YOURSELF AT HOME. The proceeds were used to give the Junior-Senior Prom. Our theme was "Land of Enchantment." It was the last and one of the prettiest proms to be held in the old auditorium

All too soon we were seniors. The juniors honored us with the banquet and prom in May. Then came Baccalaureate and the Commencement Exercises. We are proud to be the first class to graduate from the new auditorium.

Now we are on our own, and we bid a sad farewell to the friends and teachers who have protected and guided us for the past twelve years

CLASS WILL

We, the Class of 1951, being of sound mind and memory, do hereby make this document public and declare this to be our last will and testament, revoking all wills made heretofore.

Loisanne Baster: My brown nose to Shirley Damschroder

Nancy Beck: My accuracy and typing ability to Bob Misgasky

Ina Bittner: My sewing ability to Audrey Wheatley

Bill Crozier: My levis to Eugene Dunham

Bob Zipfel: My "butch" hair cut to Paul Gnepper

To Mrs. Kontak: A home room that hears the bell and knows what it means

To Mrs. Anstead: A literature class that doesn't speak unless spoken to, and a French class that speaks nothing but French

To Mrs. Soenichsen: A Helm and Purple 'n' Gold staff that doesn't have to rush at the last minute

To Miss Heing: A math class that knows all the answers

To Miss Thomas: A physics class that doesn't make her display her temper in the presence of guests

To Mrs. Damschroder: A home economics class that gets their sewing in on time and doesn't make fudge

To Mrs. Coleman: A co-operative government class that brings mounted clippings

To Mr. Smith: A gym class that insists on tests, and a football and basketball team that takes the championships for years to come

To Mr. Eldredge: A class that studies business principles in business principles class

To Mr. Huffman: A more quiet mixed chorus with an amazing sense of pitch

To Mr. Keathley: A group of boys that behave in F. F. A. activities

To Mrs. Haar: A student body that doesn't get passes between classes, and also good luck in the years to come

To Mr. Hetrick: A student body that doesn't try to change the rules of the school

CLASS PROPHECY

A graduate of 1951 returns to his old hometown in the year of 1971. This stranger wanders into his alma mater, Harris-Elmore High School. Looking through some records he comes across an old, faded paper. Wiping the dust off, he discovers it to be the composite picture of the class of '51. The first picture to catch his eye is that of the president, Louis Neeb. "I wonder what became of him," the stranger says. As he ponders, the stranger's eyes are drawn out of the still past.

"Listen, my son, while the record is old, Louie there has guided the football Bulldogs through twelve undefeated seasons in football and basketball. Last year he was named 'Coach of the Year' by the National Coaching Association of America. Another person prominent in sports is the 'Furious One,' better known to you as Frances Heineman. She just captured the title, 'Champion Lady Wrestler of the U. S. A.'"

"It is surprising how many of these students have returned and, by utilizing their abilities, have developed Elmore into the

third largest city in the United States. For example -- Dianne's Dainty Dress Shoppe, which specializes in dresses for short girls, is managed by Dianne Slates. The person responsible for the amazing success of these originals for small girls is the model, Ruth Marie Thomas. These frocks, designed by Dianne and modeled by Ruth, have been rated by fashion magazines as tops in fashion. The Fuller Than Fuller Brush Company has established offices in Elmore, with Elaine Semrock as president. Elaine worked herself up to this position by starting at the bottom as a door-to-door saleswoman. The Ritz, Fritz, Blitz, and Kuhlman law offices are located in greater Elmore. Kenneth specializes in the prosecution of egg snatchers, chicken thieves, and garter snappers. Robert Zipfel, the famous private eye, has

solved all the unsolved crimes except case No. 59477302. He can't figure out who killed his dog. He is aided and abetted by his secretary, Marilyn Guth, who takes dictation faster than it is dictated, and remains calm, cool, and collected at all times. Gail Hein returned to Elmore to set up his medical practice, specializing in broken bones. His success has grown until he is now considered the top-most bone specialist in the U. S. The Hopeful Funeral Home is situated by Gail's office for the convenience of everyone. The friendly undertaker is none other than Eldon Richm. He has invented an air-conditioned coffin guaranteed to keep people cool under any and all circumstances. Donna Kontak, manager and president of The Elmore Hardware, which carries everything from nuts to bolts, has expanded the store until it occupies a block. As a result of her success, she donated \$1,234,567 to the school. Ina Bittner, a home economist, has replaced Mary Lee Taylor. She has a radio program every morning called 'Bittner's Better Brunches.' The famous poultry raiser, Gail Hein, has discovered a way to increase chicken production can be increased 100%. This increase is made possible by the hatching of double-yolked eggs. Elmore's streets and sidewalks have been acclaimed as the cleanest anywhere. This has been brought about by the sanitary engineer, Loisanne Baster, who feels that most of the credit is due to the fact that the streets are scrubbed both night and morning with Duz, and 'Duz does everything.' In the school, Betty Shaffer and Bridget Ellis are co-English teachers. Betty teaches grammar and Bridget's teaching deals with the changing of accents. Their success can be proved by the fact that Elmore's English students have ranked first in the country for many years. The famous

'Pleasant Perky Parrot Shoppe' is managed by Phyllis Crozier. Phyllis has put her musical talent to use in teaching the parrots to sing. With each parrot goes a guarantee that it will say only what you want it to say when you want it to say it. Kenneth Kontak has become famous through his invention of the Kontak Kruiser. The distinctive feature of this automobile is a built-in hot dog heater. Mary Ann Nowak opened a dancing studio in Elmore several years ago. She has gained world acclaim for her creation, the Quivering Quaker Step.

"THE ELMORE TRIBUNE is edited by Nancy Beck. Since Nancy took over this paper it has grown until it now has the largest circulation in the U. S. Some of the graduates were prominent in the news last week. Helen Orman was awarded the Pulitzer Prize for her novel, THE ICE-MAN COMETH or THE SIGN IN YOUR WINDOW IS IN TODAY. Verna Klingbiel and her orchestra, The Elmorinians, featuring Verna and her magic guitar, are now playing at the Elmore Metropolitan Opera House. Because of the success of her month's engagement she is being held over for an additional three hundred and twenty-seven days. Audrey Rader has become the foremost pilot in the United States. Audrey was the first pilot to reach the moon. She has just returned from the newly discovered planet, Beezlebub. Barbara Ohl, who has formed an a cappella choir with her twelve daughters, returned last month from a European tour, where she received world acclaim. Barbara and her Choraleers may now be seen on the international television station HEHS channel number 46359. Bill Crozier, better known in the photographic world as 'Willey Willy,' has established his studio throughout the country. He was just selected by Miss America of 1971 as the one by whom she would like most to be photographed. Larry Kontak began his career as sixteenth violinist in Hehsbulldog Marching Band. Through persistent effort he has just recently become leader of this 1267 piece band. Jacquie Dolph, famous veterinarian, is the creator of the 'Society for the Prevention of Cruelty to Laughing Hyenas.' She has bred a new animal, the henster, which is a cross between the hen and the rooster. The outstanding features of this animal are that it lays eggs and crows. Charles Roepke, who was a member of the National Guard in 1961, has worked his way up until he now has assumed full command of the land, air, and naval forces of the world. Loren Nowak, with his captivating smile, entered the theatrical world and for the past 10 years his box office rating has been higher than that of any other movie star. His latest movie is 'The Sheik of Elmorado.' The Rev. John Lowry is the minister of the First Church of Elmore, which has a membership of two million. John has performed more wedding ceremonies than any other minister in the world. His ceremonies are so beautiful that every girl dreams of being married in his church.

"Thus my son is the tale all told of the classmates you knew in those days of old."

STUDENT COUNCIL NEWS

The Student Council was organized for 1950-51 with Eldon Riehm as president and Mrs. Coleman and Mr. Hetrick as advisors.

The Student Council sponsored the magazine campaign, which netted a profit of \$443.73. A table model radio was presented to Kenneth Kontak and a pen and pencil set to Lowell Rothert as awards to the two highest salesmen.

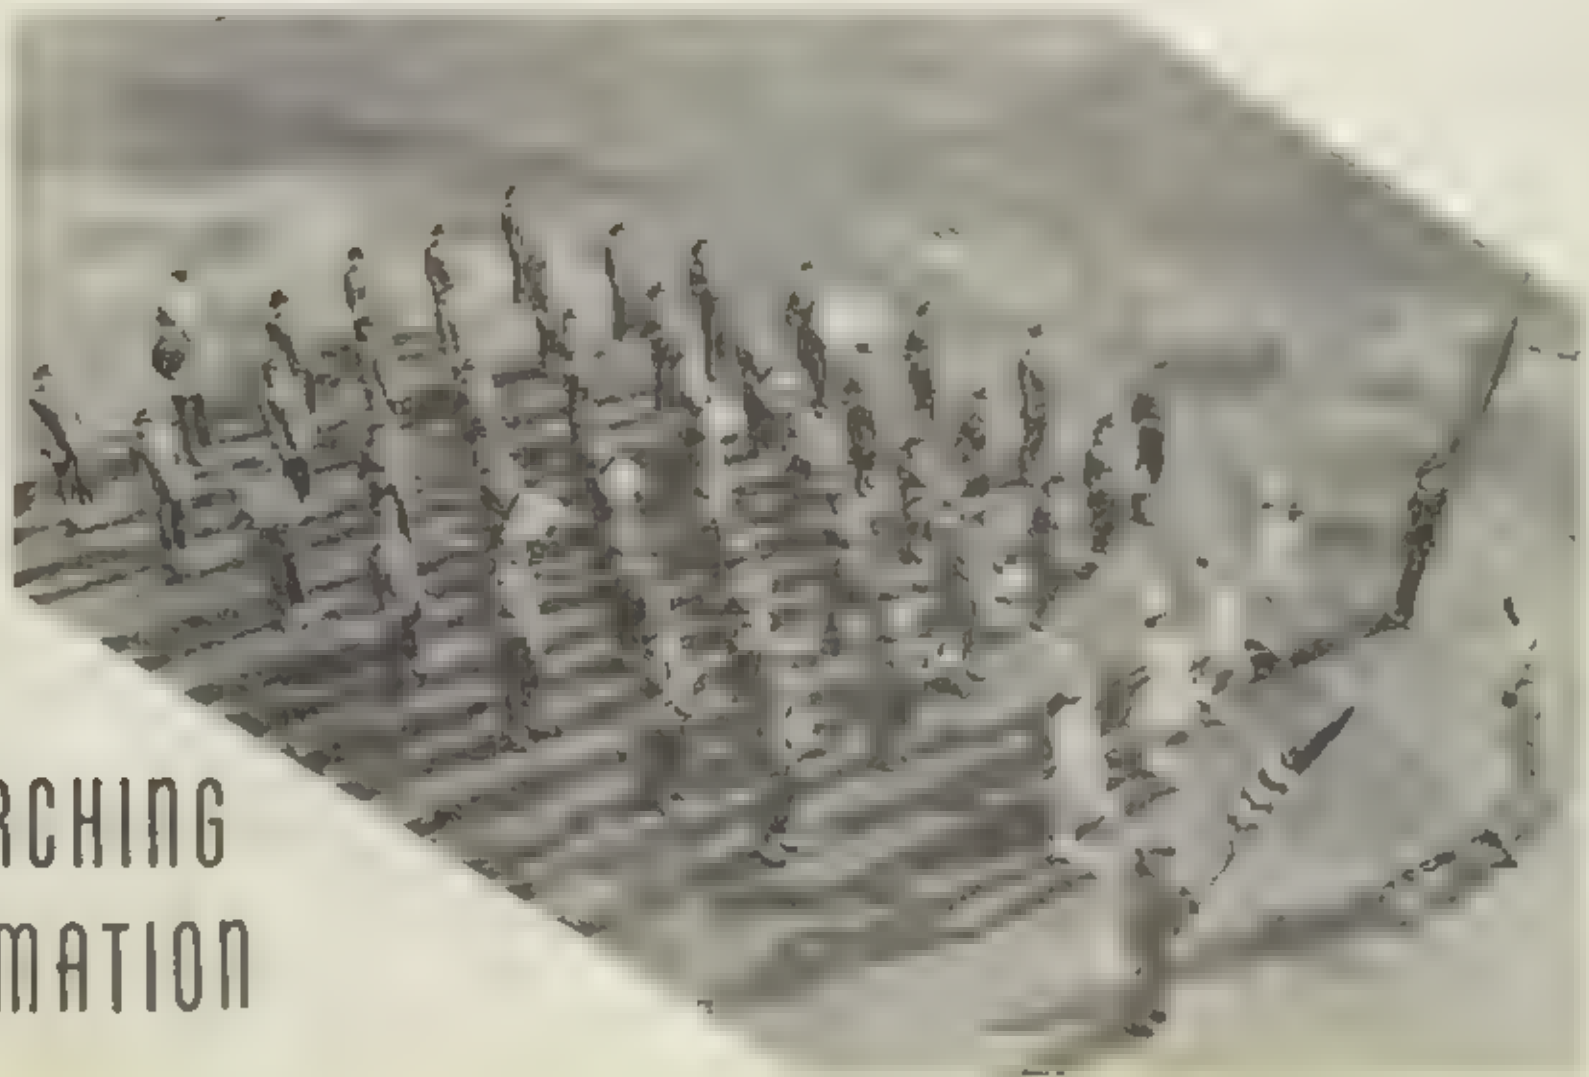

The Student Council made plans for class assemblies and sponsored the Junior Red Cross Drive, the sale of socks bearing school colors, the sale of programs at football games, and the decorating of Christmas trees.

As their project for the year the Student Council planned to sponsor the purchase of a football scoreboard.

CLARINET QUARTETTE

The Clarinet Quartette was composed of four sophomore girls--Carol Summers, Carol Sondergeld, Peggy Beck, and Joyce Kuhlman. They participated in the Ohio Solo and Ensemble Auditions. By receiving a superior rating in the district, these girls were eligible to compete in the finals in Columbus, Ohio. There they were also rated superior, which is the highest honor awarded. The Clarinet Quartette played for the Spring Musicale, many church functions, Masonic meetings, and various other occasions.

BAND

The Harris-Elmore School Band, under the direction of Mr. John Huffman, started the year with 42 members.

During the football season the band practiced daily for football half-time shows. The band was led by the drum major, Larry Kontak.

High spots of the season were the 'Shadow Box' lighted by flares, an umbrella which was opened and closed, and an anchor. An 'E' for Elmore and letters for the opposing schools were made.

Football music included 'Washington and Lee', 'Umbrella Man', 'High School Cadets', 'Our Director', and 'If I Knew You Were Coming, I'd've Baked a Cake.'

Concert Band music included 'Maytime', 'A Walking Tune', 'Bali Hai', and several other pieces--overtures, modern, popular, and classical.

The County Festival and Spring Concert were highlights of the second semester.

The Band Boosters sponsored for the band a weiner roast, Tag Day, and bake sales.

Several band members entered various musical contests and showed remarkable results.

FOOTBALL STARS

ROBERT ZIPFEL Senior - Center; moved back to center for the 1950 season and completed the year with a job well done. Despite his trouble with an old knee injury, Bob stayed on the field when he should have been resting. Bob never wanted to leave a game and did his best until the end. Coach says next year he will have more tape but he would rather have "Zip."

JOHN BOWMAN Junior - Halfback; played a bang-up game on offense and was noted for his gains through the line. Defensively he served as a halfback and later in the season a line backer. Next year we are expecting to see John running the team from quarterback.

DICK ZOLMAN Junior - End, extra-point specialist deluxe. Saved Elmore from defeat once and from two other tie games. Dick had a total of ten points by the point after T. D. method. His accurate toe overshadowed the equally good pass-receiving for numerous gains and two touchdowns. A great year in '51, Dick.

BOB MISGASKY Junior - Guard; hampered by a knee injury obtained early in the season. Bob played good football under a terrific handicap. He was used as a defensive lineman and stopped many a play from making extra yardage.

SCOTT VANDERSALL Junior - Guard; Scott started thinking football six months in advance when he went on a diet to lose thirty pounds. The result was a big improvement, and, with two years' experience, he will be back in '51 for his final year. You can bet it will be a good year.

FOOTBALL STARS

ELDON RIEHM Captain - Senior - Fullback; a varsity letterman at center in 1949, was moved to fullback in 1950. All opponents will remember that big 180 pounds storming through the line or around end for long gains. A knee injury slowed him up for several games, but before the season's end he was going full speed again. The squad will miss your wise decisions as the Bulldogs' captain for two years.

JIM FLICK Junior - Halfback; great improvement over last year and one more year to go. Jim added six points to Elmoxe's record during the Gibsonburg game. A shoulder injury during the Castalia game sidelined him for 1950. Jim, 1951 should be a good year for you.

LOUIS NEEB Senior - Quarterback; Louie was the main cog in our football machine this year. His accurate passing, smart running, and quick thinking spelled defeat for many opponents. Statistics show Louie's value to the team. He threw eight touchdown passes and scored four touchdowns on runs, plus an extra point. A job expertly done, Louie.

GALEN ROTHERT Senior - Tackle; quiet and gentle except on a football field. His jarring tackles stopped many ball carriers before they could get underway. It will be a tough job to get someone to fill tackle position as well as you have.

BOB LAUER Junior - Guard; could rough it up with the best of them. Bob could be counted on for guard, tackle, or defensive linebacker all in one game. He served as co-captain when Eldon was out. Next year, as captain, we will be expecting you to "hit 'em firstust with the mostust."

FOOTBALL STARS

JACK SHIMP - Junior - End; was used mostly as a defensive end. His 185 pounds were pretty hard to move out of the way sometimes. Next year Jack should fill in both offensive and defensive duties, and with the experience of this year he will be hard to stop.

CHARLES ROEPKE - Senior - End, was the most agile player on the field. Several times Chuck nearly went all the way on punt and kick-off returns. A bruised shoulder slowed him up at mid-season, but he was going again before the final game. High-lighting his football career was a pass interception and 82-yard gallop for a touchdown. Good luck Charlie! We hate to see you leave us.

EUGENE DUNHAM - Junior - Tackle, came back this year with more will to play than anyone else on the squad. Gene has another great year ahead of him and, with his spirit, should really "pick 'em up and lay 'em down."

GAIL HEIN - Senior - Guard; 243 pounds of Elmore beef. There was no cause for worry about the middle of the line when Gail was in there. A severe leg fracture spoiled a glorious season for "Tubby" and the Bulldogs. Wish you could have finished the season on the field with us.

LOREN NOWAK - Senior - End; was slated to play regular defensive end. Fans never really had a chance to see Loren in action because he received his injury on the first play of the premiere. There is no doubt that he would have been a great help to our football squad. The first weeks of practice showed his ability. Sorry your injury had to happen.

JUNIOR VARSITY

This year Elmore played two Junior Varsity games. The team was composed of freshmen and sophomores who did not get a chance to play in regular games. Elmore lost both games but gained valuable experience in playing Gibsonburg and Oak Harbor. Many of these boys will be seeing Varsity action next year.

FOOTBALL ACCOMPLISHMENTS

On August 21, 1950, the football squad reported for the first practice session. Thirty-eight boys greeted Coach Smith the first day. This was a great improvement over the '49 season, when eighteen boys reported for the first session. The season opened with the Sandusky Bay Conference Premiere played at Clyde. Elmore lost to Oak Harbor.

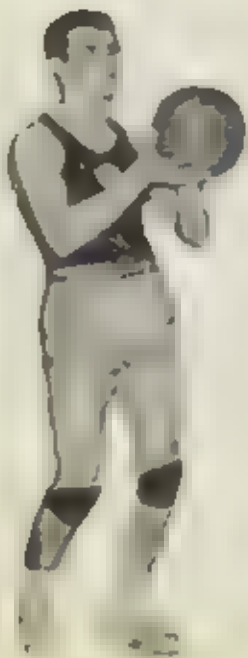

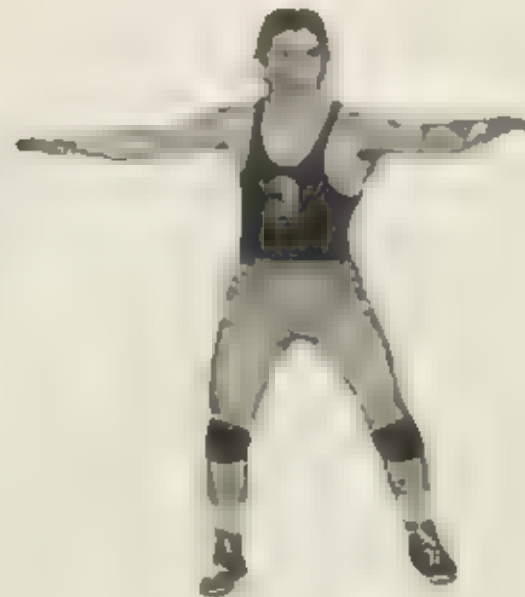

Elmore figured as a strong contestant for the Conference championship. Injuries slowed the team up for several crucial games, but they came back strong in the last game. Louis Neeb was voted All-Conference quarterback, and Charles Roepke, All-Conference end. Touchdowns were scored by Neeb, Roepke, Bowman, Flick, Zolman, Richm, and Semrock, with Neeb carrying for the greatest number of touchdowns.

OTTAWA COUNTY

NORM KROOS -- JUNIOR FORWARD poured 91 points through the nets. His shots were one-handed set shots from the corner and out front. Norm will be a valuable man to have on the squad next year. What he lacks in size he makes up in his sharp shooting.

LOUIS NEED -- SENIOR GUARD will certainly be missed on the Elmore basketball floor. As the captain, Louie did a fine job of directing the team through a successful season. He scored 124 points for the 1950-51 season. You don't replace players like Louie. You only hope for someone just as good.

DICK ZOLMAN -- JUNIOR FORWARD may be considered the player that sets up the successful plays. Dick scored 81 points for the season. With one good season behind him, Dick should be another great basketball player from Elmore. It's a great feeling to know that he will be back for another year.

LOREN NOWAK -- SENIOR did not play a single ball game this year because of a football injury. Loren was to be figured as a great help to the team in defending our Conference title of last year. We deeply regret that he could not play; the season record would have been much better with him on the squad. Loren's heart was set on playing basketball this year. The squad went into the County Tournament with the burning desire to win the trophy for Loren.

BASKETBALL CHAMPS

CHARLES ROEPKE -- SENIOR GUARD got off to an early start and was a treat to any opponent with a variety of shots under the backboards. Charlie played his last few games while awaiting a call to the United States Army. His scoring splurge of six points in the last minute put Elmore on top for the county championship for '51. Chuck was named on the All-Conference second team this year. His scoring total for the season was 251 points.

ELDON RIEHM -- SENIOR GUARD was a valuable player when the going was tough. Eldie's accuracy from the field made him a threat to any opponent. A knee injury was a great handicap throughout the season. Eddie scored 44 points.

KENNETH KONTAK -- SENIOR CENTER developed into a fine ball player for Elmore. Kenny got off to a slow start but finished the season with 214 points to his credit. His fine pivot shot brought Elmore through to victory many times. His record of 11 out of 15 foul shots in the tournament finals enabled Elmore to stay in the game and come out the winners for 1950-51. Kenny was named on the All-Conference second team.

LAND
OF
ENCHANTMENT

ONCE UPON A TIME...

. . . in the far-off land of Elmore, there was a very clever junior class. Now in the school which this clever class attended, there was a quaint custom that every spring the junior class entertained the seniors and the faculty at a banquet and prom. Knowing that they would be expected to uphold their reputation for talent, this clever class decided to entertain in the "Land of Enchantment." For several months there were secret journeys to a place where the scenery and other effects were being created, until finally the "Land of Enchantment" was ready to receive its distinguished visitors.

How breath-taking! There were majestic snow-capped mountains, a magnificent red roofed castle, a fawn, bunny, and other little woods animals. Hanging from swirls of pastel streamers overhead were such umbrellas as had never before been seen in the land of Elmore--not ordinary cloth-covered umbrellas, but umbrellas with white ribs and bouquets of flowers at each joint. Pastel April showers were formed by rippling streamers hanging from ceiling to floor to seclude those who were "just sitting this one out" in the Land of Enchantment. The picket fence surrounding the orchestra and the backboards on which big butterflies were perched were covered with spring blossoms. And in the corner--blue mist rising out of a magic bubbling spring into which a penny could be dropped to make a wish come true! Waitresses in colorful ballerina skirts led the guests to their places, where they found tiny umbrellas which really opened and shut! Then the wonderful food was served.

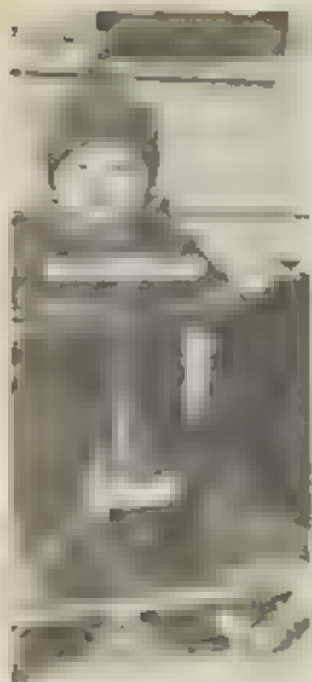

But wait! The tasty banquet was just the beginning! This clever class was also presenting delightful entertainment. With everyone else relaxed and waiting, the participants began to get just a wee bit nervous. But deep in their hearts they knew their talent would carry them through. First the juniors' president in shining armor, Eldon Riehm, welcomed his class's guests. The ruler of the senior realm, Paul Muenzer, responded for those who had traveled from afar for this occasion. Then the captain of the school, Mr. Hetrick, arose and told of their future "On the Way."

Being finished with the serious business, Jacquie Dolph and Eldon Riehm presented a take-off on the song "If I Knew You Were Comin' I'd've Baked a Cake." Phyllis Crozier lifted everyone's heart "Over the Rainbow" with her song. Then Nancy Beck played "Dance" on the piano, leaving everyone in the mood for the dancing to Paul Ehret's orchestra which followed. It was a beautiful picture. All the girls were in pretty, frothy formals, and the boys--some had even splurged with tuxes! Mr. Powell's effective lighting added to the enchantment.

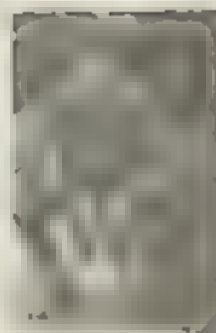

But all these Cinderellas and their princes had to leave before their coaches turned back into pumpkins. So, with sighs of regret, they slowly drifted out, making sure that the "Land of Enchantment" could be viewed by all who might come from afar the next day to visit it.

And everyone, especially this clever class of '51, lived happily ever after.
